Last year, we went on holiday to Egypt to see the piramyds. We arrived in the contry and went to our hotel, but it didn't look like the picture in the broshure. It was a strange place that looked like a Swiss shalet.

When we reached the hotel, we found out that I had to share a duble room with my brother. The television didn't work and the bedsheets were as ruff as sandpaper. In the evening, the hotel shef served us some steaks that were as tuff as old boots!
