Question 1

What atmosphere is the author trying to create in this extract?
Question 1

What atmosphere is the author trying to create in this extract?

a scary atmosphere/a feeling that something dangerous or scary might happen
Question 2

Look at the second paragraph.

Why do you think the author included this information about Moomins?
Question 2

Look at the second paragraph.

Why do you think the author included this information about Moomins?

It explains why the Moomins needed to go into the forest even though they find it scary. It makes the reader wonder whether they will find a house in time for October.
Question 3

What event changes Moomintroll’s mood from frightened to brave?
Question 3

What event changes Moomintroll’s mood from frightened to brave?

He sees the creature and realises that it is very little and not scary at all.
Question 4

Why do you think the author has chosen the deepest part of a forest as the setting for this extract?
Question 4

Why do you think the author has chosen the deepest part of a forest as the setting for this extract?

The trees make the setting dark and shadowy. OR The characters can’t see and this creates a sense of danger/mystery/makes the story suspenseful/exciting for the reader.
Question 1

*Forest could keep secrets.*

Using evidence from the text, explain why the forest could be good at keeping secrets.
Question 1

*Forest could keep secrets.*

Using evidence from the text, explain why the forest could be good at keeping secrets.

We know that the forest is good at keeping things to herself because it says ‘she don’t broadcast her business’.
Question 2

What do the words *watersound* and *birdsound* tell you about what you might see and hear in the forest? Give two things.
Question 2

What do the words *watersound* and *birdsound* tell you about what you might see and hear in the forest?
Give *two* things.

- waterfalls *OR* rushing rivers *OR* animals in water
- birds calling *OR* singing
Question 3

... the teeming creeping of her forest-ground.

Is the ground really moving? Explain your answer.
Question 3

... the teeming creeping of her forest-ground.

Is the ground really moving? Explain your answer.

No. It just seems as if it is moving because there are lots of animals and insects moving around on the forest floor.
Question 4

and when night come
and darkness wrap her like a gown

What does this suggest to you about night-time in this forest?
Question 4

and when night come
and darkness wrap her like a gown

What does this suggest to you about night-time in this forest?

That it is very dark/thick/smothering, with not a bit of light seeping through anywhere.
Question 1

Look at the first paragraph.

What does Arrietty see that tells her she is nearly at the entrance to the upstairs world?
Question 1

Look at the first paragraph.

What does Arrietty see that tells her she is nearly at the entrance to the upstairs world?

a faint light at the end of the passage
Question 2

Look at the second paragraph.

Pod tells Arrietty to stay under the clock. What is she waiting for?
Question 2

Look at the second paragraph.

Pod tells Arrietty to stay under the clock. What is she waiting for?

the sign/a sign from Pod
Question 3

As Arrietty scrambles through the hole, she sees bright sunshine outside. What season is it in the text?
Question 3

As Arrietty scrambles through the hole, she sees bright sunshine outside. What season is it in the text?

spring
**Question 4**

</table>
Question 3

“Here we are,” Mr Poe said, in a voice undoubtedly meant to be cheerful.

What effect does this choice of words have on the reader?
Question 3

“Here we are,” Mr Poe said, in a voice undoubtedly meant to be cheerful.

What effect does this choice of words have on the reader?

It makes them think that it must be a really miserable place because Mr Poe can’t make himself sound cheerful about the children’s new home.
Question 4

The children looked from the well-scrubbed house of Justice Strauss to the dilapidated one next door.

By writing a sentence in this way what effect has the author created?
Question 4

The children looked from the well-scrubbed house of Justice Strauss to the dilapidated one next door.

By writing a sentence in this way what effect has the author created?

The author makes Count Olaf’s house sound especially bad because the reader contrasts it with the description of Justice Strauss’ house, which is much nicer.
