

# Supplementary spelling logs

## User's guide

### Introduction

The supplementary 'Spelling log word lists' are provided to further reinforce the words from the statutory National Curriculum words listed in Appendix 1 of the National Curriculum. The lists reflect the order in which the words are introduced in the **Schofield & Sims Spelling** books and can be used to encourage children to monitor their spelling of these words.

### Years 3 and 4

There are five 'Spelling log word lists' for **Spelling 3** and five for **Spelling 4**, which cover all the words on the National Curriculum word list for Years 3 and 4. In addition, there is one revision list for use at the start of the school year. This means there is a list for each half term, with the first half term being used to revise words from the previous year.

### Years 5 and 6

There are five 'Spelling log word lists' for **Spelling 5** and just four for **Spelling 6**, covering all the words on the National Curriculum word list for Years 5 and 6. There are only four lists for **Spelling 6**, to ensure that all words are covered before the start of the summer term in Year 6. The last half term in Year 5 and the last term in Year 6 should be used to revise words from all previous lists.
