## Notes for the Teacher

This book continues the practice in computation with numbers up to 10. The work is graded and gives practice in the use of a number strip, a number line, equalizers and mapping. It includes number stories to 10 with more practice in number bonds.

The book covers:

Addition of numbers to 10

Subtraction from 10

Addition of three numbers

Addition of two numbers, then taking away one number

Counting on and back

Recognition of 2p and 5p and drawing values, using these coins, up to 10p

Shopping – adding three items up to 10p

– adding two items and giving change from 10p

Picture problems

The instructions are kept to a minimum as the work is self-explanatory.
