## Section 1

### Session 1 4–5

Counting quantities to 6  
Comparing and ordering small numbers to 6  
Reading, writing and ordering numbers to 6

### Session 2 6–7

Comparing and ordering small numbers to 10  
Reading, writing and ordering numbers to 10  
Addition and subtraction to 5

### Session 3 8–9

Counting quantities to 6, then to 10  
Writing 1 more/less numbers  
Totals of 10

### Session 4 10–11

Totals of 10  
Naming common 2-D shapes  
Using simple sorting diagrams

### Session 5 12–13

Writing 1 more/less numbers  
Addition and subtraction to 5  
Totals of 10

## Check-up 1 14–15

Number  
Shape  
Word problems

## Section 2

### Session 1 16–17

Counting up to 15 objects  
Counting patterns of 1s  
Comparing pictures to show which is longer/shorter

### Session 2 18–19

Counting up to 15 objects  
Counting patterns of 1s  
Word problems

### Session 3 20–21

Addition and subtraction to 5  
Doubles to 10  
Halves of objects and quantities

### Session 4 22–23

Addition and subtraction to 5  
Addition and subtraction to 10  
Days of the week

### Session 5 24–25

Totals of 10  
Addition and subtraction to 10  
Identifying position

### Session 6 26–27

Addition and subtraction to 10  
Counting patterns of 1s  
Counting patterns of 5s

## Check-up 2 28–29

Number  
Measures  
Word problems

## Check-up 3 Number 30–31

Number order, Addition/subtraction, Word problems

## Check-up 4 Measurement and Geometry 32–34

Naming common 2-D shapes, Using sorting diagrams, Comparing pictures to show which is longer/shorter, Word problems, Identifying position, Days of the week

## Check-up 4 Answers 35–37

## Group Record Sheets 38–39
