

## Writing task 3

Let's get out of here!

Write part of a story about two characters who find themselves in danger. Use the idea from the picture, or choose one of your own. Your task is to describe the danger and how they get out of it.

Before you start writing, think about:

- what the danger is
- what the children say and do
- how they escape the danger

Use this space to write down some ideas.
