Note for parents, tutors, teachers and other adult helpers

A pull-out answers section (pages A1 to A12) appears in the centre of this book, between pages 28 and 29 (Paper 18). This provides answers to all the questions, along with guidance on marking the papers. Remove the pull-out section before the child begins working through the practice papers. The child may have access to a spare piece of paper for the nets of cubes questions if needed.
