

# Welcome to this book

The **WriteWell** series will help you to develop good handwriting habits. As you work through the series, you will learn how to improve your handwriting and develop your own style.

This is **Book 3**. In this book, you will learn to write the rest of the letters of the alphabet, following on from those you have already learnt in **Book 2**.

## The activities

To help you learn each letter, there are activities to complete. These will build your confidence until you can write the letter all by yourself.

-  When you see this style of line, use your finger to trace along it carefully.
-  When you see this style of line, use your pencil to trace along it carefully. Try to stay inside the blue line.
  - This red dot tells you where to start. Put your finger or pencil here to begin.
  - These arrows show you which direction to move your finger or pencil.
