

Check your writing speed 1

Writing speed can be measured by the number of letters or words you can write in one minute.

The timed challenges will show you how fast you can write. Once you discover your current writing speed, set yourself a target to beat.

How many letters or words can you write in one minute?

Try it

1 min

- 1 Write the letters of the alphabet for one minute. Then stop and circle any letters that are illegible. Count the legible letters and record your score.

Score: letters per minute

- 2 Copy the sentence for one minute. Then stop and circle any words or letters that are illegible. Count the legible words and record your score.

The quick brown fox jumps over the lazy dog.

Score: words per minute
