

About the KS2 SATs Maths and English Practice Papers

The *KS2 SATs Practice Papers* will support your child to prepare for the SATs in maths and English that they will take towards the end of Year 6. Each paper has been carefully written to closely resemble the language and question types found in the SATs papers.

The *KS2 SATs Practice Papers* are designed to be used in the immediate run-up to the tests, to help your child become familiar with the formats and timings of the real papers.
