

An illustration of two children standing in a rainstorm. The boy on the left, wearing a red shirt and blue shorts, points towards a gap in a path. The girl on the right, wearing a blue shirt and purple shorts, has a thoughtful expression. A speech bubble from the girl contains the text "Will that be the right gap?". A small bird is perched on a ledge above the gap. The scene is set in a lush green environment with a brown path and a small stream. Rain is falling heavily, creating many white streaks and ripples in the water.

Will that be the right gap?
