<b>Unit 1: Number and place value</b> .....	4	Measurement problems .....	60
Counting in multiples .....	4	Perimeter .....	62
Place value .....	6	Area .....	64
Roman numerals .....	8	<b>Unit 5: Geometry</b> .....	66
Representing numbers .....	10	2D shapes .....	66
Rounding numbers .....	12	3D shapes .....	68
Negative numbers .....	14	Symmetry .....	70
<b>Unit 2: Calculation</b> .....	16	Angles .....	72
Addition and subtraction .....	16	Translation .....	74
Addition and subtraction word problems .....	18	Coordinates .....	76
Mental calculations .....	20	Coordinates and shape .....	78
Multiplication and division .....	22	<b>Unit 6: Statistics</b> .....	80
Multiplication and division word problems .....	24	Bar charts .....	80
<b>Unit 3: Fractions and decimals</b> .....	26	Time graphs .....	82
Hundredths and tenths .....	26	Pictograms .....	84
Equivalent fractions .....	28	Tables .....	86
Adding and subtracting fractions .....	30	<b>Final practice</b> .....	88
Fraction and decimal equivalents .....	32		
Rounding decimals .....	34		
Comparing and ordering decimals .....	36		
Multiplying and dividing by 10 and 100 .....	38		
Fractions word problems .....	40		
Finding fractions .....	42		
Calculating with decimals .....	44		
<b>Unit 4: Measurement</b> .....	46		
12-hour time .....	46		
24-hour time .....	48		
Time problems .....	50		
Money problems .....	52		
Converting units of measurement .....	54		
Comparing measurements .....	56		
Estimating measurements .....	58
