Unit 1: Number and place value	4	Metric and imperial units of measurement	58
Number sequences	4	Perimeter	60
Place value and Roman numerals	6	Area	62
Rounding numbers	8	Volume	64
Negative numbers	10	Money problems	66
		Measurement problems	68
Unit 2: Calculation	12		
Written addition and subtraction	12	Unit 5: Geometry	70
Estimation	14	2D shapes	70
Mental addition and subtraction	16	3D shapes	72
Addition and subtraction word problems	18	Angles	74
Special numbers	20	Reflection	76
Prime numbers	22	Translation	78
Written multiplication	24		
Written division	26	Unit 6: Statistics	80
Mental multiplication and division	28	Tables 1	80
Multiplication and division word problems	30	Tables 2	82
Four operations word problems	32	Line graphs 1	84
		Line graphs 2	86
Unit 3: Fractions, decimals and percentages	34		
Improper fractions and mixed numbers	34	Final practice	88
Equivalent fractions	36		
Comparing and ordering fractions	38		
Adding and subtracting fractions	40		
Multiplying fractions	42		
Fractions and decimals	44		
Rounding decimals	46		
Comparing and ordering decimals	48		
Fractions, decimals and percentages 1	50		
Fractions, decimals and percentages 2	52		
Unit 4: Measurement	54		
Time	54		
Metric units of measurement	56
